Rome Annual 'State of Our Lakes' Lunch

All property owners in the Town of Rome are invited to attend a forum on June 4th at the Rome Town Hall sponsored by the 14 Mile Watershed Alliance, the Town of Rome and the Tri-Lakes Management District to discuss lake and stream water quality issues in our watershed. With three of our four lakes in Rome on the state's impaired list and with blue-green algae warnings on our lakes the past few years, we know we have work to do.

The June 4th forum will have exhibitors throughout the town hall and will feature presentations addressing the water quality in our lakes and watershed, followed by lunch and a question & answer period. At the end of the event, door prize and raffle winners will be announced.

So please add June 4th at 11:00 am to your calendars. See you there!
