Rome Annual 'State of Our Lakes' Lunch

All property owners in the Town of Rome are invited to attend a lunch on Saturday, June 4th at the Rome Town Hall sponsored by the 14 Mile Watershed Alliance, the Town of Rome and the Tri-Lakes Management District to discuss lake and stream water quality issues in our watershed. With three of our four lakes in Rome on the state's impaired list and with blue-green algae warnings on our lakes the past few years, we know we have work to do.

The June 4th event will feature presentations addressing the water issues in our lakes and watershed, followed by lunch and a question and answer period. There will also be exhibitors present to provide information and demonstrations. At the end of the event, door prize and silent auction winners will be announced.

Please join us on Saturday, June 4th from 11 am to 2 pm.

See you there!
