The next 14 Mile Watershed Alliance meeting will be held Monday, March 13th at 6:00 pm at Sherwood Lodge

Our speaker for the evening will be Patrick Oldenburg. Pat is a Water Resources Engineer with the Wisconsin DNR. Pat will share his thoughts on the data that's been collected on our lakes over the past decade and a half, and gather additional insights from lake residents and others to help create a better understanding of the water quality drivers in the lakes.
