14 Mile Watershed Friends and Supporters . . .

Below are two events that will be of interest to Rome area residents as well as others in the 14 Mile Creek Watershed.

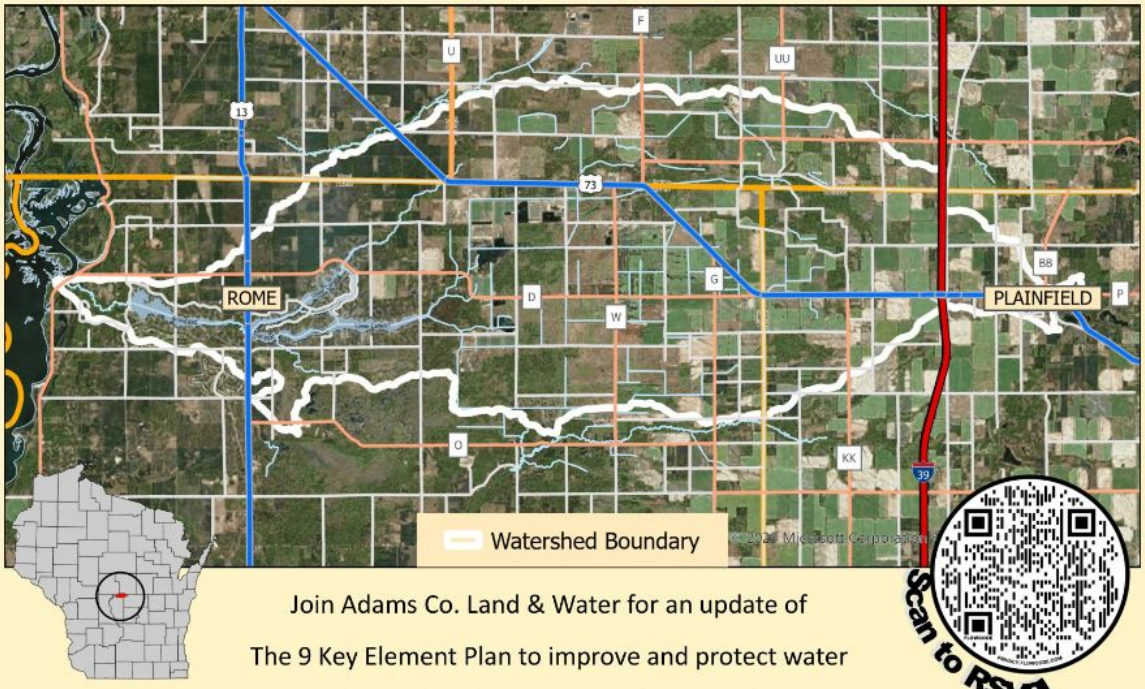
Rome Annual 'State of Our Lakes' Lunch

All property owners in the Town of Rome are invited to attend a forum on Saturday June 10th at the Rome Town Hall sponsored by the 14 Mile Watershed Alliance, the Town of Rome and the Tri-Lakes Management District to discuss lake and stream water quality issues in our watershed.

The June 10th forum will have exhibitors throughout the town hall and will feature presentations addressing the water quality in our lakes and watershed, followed by lunch and a question & answer period. At the end of the event, door prize, raffle and silent auction winners will be announced.

Please add Saturday, June 10th at 11:00 am to your calendars. See you there!

A 2nd Event is being planned by Adams County Land and Water Conservation Department. Here are the details:



Join Adams Co. Land & Water for an update of The 9 Key Element Plan to improve and protect water quality within the Fourteen Mile Watershed.
